EDUCATION

Degree :

Pursuing **B.E.** in **computer engineering** at **Shree Swaminarayan Institute Of Technology,** Bhat, Gandhinagar Under **Gujarat Technological University,** Ahemedabad**.**

Current CGPA : 8.74

Schooling :

Higher secondary school : **Shahjanand School of Achivers (SSOA)**, Sargasan, Gandhinagar.

Primary school : **Uma Shixan Tirth**, Naroda, Ahmedabad.

Currently I am pursuing sem 7 in **computer engineering** at **Shree swaminarayan institute of technology** under **Gujarat Technological University**. Till now I have got CPI:8.60 and CPGA 8.74. I have learned several subjects such as Java, SQL, Computer Network, Theory of Computation etc.

Moreover, I consider my self as a self-learner,too.. Thus i have acquired valuabke technical and non-technical knowledge from various online learning plateforms.

I can say, I could be good leader, since, I played crucial role of leader many times during college time to avail success to my team. As a team leader, I own certain capabilities to identify the potential of each and every team member and according to that i assign work. In this way, we can achive success with ease.

PROJECTS

EHealth Application

This is a small scale project that i have build regarding public health.
